The door in the tree

On the way home you notice a small wooden door at the bottom of an old tree. It was not there yesterday. It is slightly open.

The wrong post

A parcel arrives with your name on it, but you did not order anything. Inside is something that should not be possible.

One hour of flying

You wake up able to fly but only for one hour, and only today. What do you do with it?

The last light on

Every house on the street is dark except one. Someone is still awake, and they are waiting for you.
